

COMPANY PROFILE

Company Profile

National CAD Services (NCS) is a full service Computer Aided Drafting (CAD)/ Computer Aided Facilities Management (CAFM) Service Bureau. The corporate capabilities of National CAD Services includes residential, commercial and industrial construction documents, mechanical and electrical documentation, facility management, space management, CAD conversions/as-builts, field measurements and training. We provide reliable, accurate drawings quickly! N.C.S. is very flexible, so whether the need is for 500 square feet or over 1,000,000 square feet, a straight copy from blue lines or field verification, we can handle the project.

National CAD Services is associated with the following organizations:

- BOMA - Building Owners and Managers Association
- CAM - Construction Association of Michigan
- Greater Detroit Chamber of Commerce
- BBB - Better Business Bureau

A Brief history

Since early in 1992 when the company was founded by several energetic and enterprising gentlemen, to the current high pace CAD market, National CAD Services has evolved with the technology and the industry. Having completed more than 30,000,000 square feet of field verification and CAD, NCS has proven their reliability and ingenuity.
